

## Dinosaur Poem

### Links to Dinosaur Dreaming:

This acrostic poem encourages students to think about words that are associated with Dinosaur Dreaming. These words could be related to the fossils that have been found, the work carried out at the dig site or descriptions of the areas around the site such as the rocks and coastal features.

### Procedure:

1. Provide each child with a copy of this sheet.
2. Children could work in pairs or singly to write words across the DINOSAUR down word. The words across can start with the letter or have the letter somewhere along the word.
3. Children could decorate their poem with pictures about the dinosaurs or Dinosaur Dreaming.
